

Town wishes key to choice

New Wilmington Center Bypass Considered

The state Department of Public Works is considering a Wilmington Center bypass for routes 38 and 129 that would be constructed west of the Boston & Maine Railroad main line. Cost of a bypass could be as much as \$2 million, and construction would be completed in an estimated five years.

The proposed western bypass would begin in the vicinity of Quality Carwash on Main Street, north of the junction of routes 38 and 129, and would rejoin Main Street across the Richmond Street bridge now under construction. A key part of the proposal would be another bridge which would cross the tracks at an angle not far from the present carwash site.

A bypass that would go east of the center remains the DPW's most favored route, but a simple updating of the present Main Street portion of the highways hasn't been ruled out as a means of improving traffic flow.

Updating of Main Street would still result in the road being used for two-way traffic. Either bypass would be one-way south to north, however, leaving traffic going north to south continuing using to use Main Street.

These disclosures were made by DPW state 2Cmsr. Bruce Campbell and his engineers at an informational meeting given state Rep. Fred F. Cain and Wilmington town officials at DPW headquarters in Boston September 20.

People have say
DPW officials stressed that community wishes, the possible need to displace homes or businesses and the environmental impact of the routes under consideration would play an important part in the choice of a final route. Rep. Cain told DPW officials the western bypass proposal was "impractical." Among reasons cited by Cain were problems that would result because of the location and height of a new bridge near the carwash site.

The bridge would have to be 22 feet high to meet the railroad's future needs, Cain said. A bridge that high would have too sharp an incline because it would be too close to the beginning of the proposed bypass, he said.

Fears western route
Cain said the only way of meeting the incline problem within such a short distance would be to have curved approaches at both ends of the bridge, a situation he termed "dangerous." The bridge and its approaches would look from the air much like the letter "S" with a slightly straightened center.

The proposed western route apparently would pass through a new Sweetheart Plastics building under construction as well as Wilmington Ford Company property, Cain said.

The eastern bypass proposal, as shown by DPW officials, would have three possible starting points on Main Street. One, an old county proposal, would have it begin opposite Cross Street, another at Wallace Motors and a third between Williams' Sign Co. and Blaisdell's Motor Transport Co.

All proposed starting points for the eastern bypass would join the main route just before Church Street. The main eastern route would go between the post office and fire station, continue across Middlesex Avenue and Clark St., go behind Wilmington Plaza and end at the Richmond Street bridge just south of Rocco's Restaurant on Main Street.

Bridge favored
The eastern route would cross Boston & Maine's wildcat branch near Clark Street. DPW officials favor a bridge over the wildcat line, which would block off Clark Street permanently. Cain and town officials favor a grade crossing.

DPW engineer Francis R. Sholock, in proposing a bridge over the wildcat tracks, admitted such a proposal would be unsightly and

STRESSES SERIOUSNESS: State DPW Cmsr. Bruce Campbell, right, stressed to Arthur E. Harding Jr., chairman of the Wilmington planning board, and planning board member Robert F. Leahy that plans to improve routes 38 and 129 would affect the town's development for 50 to 100 years.

would have a poor environment effect on nearby wetlands and homes.

Justin L. Radio, deputy chief engineer for the DPW's bureau of project planning & development, explained the state might have difficulties getting federal aid for the bypass without the wildcat bridge. The federal government, he said, has a national program which aims at eliminating grade crossings.

Bridge 'waste'

Cain commented that only two trains a day use the wildcat line. Selectman Michael A. Cairra added, "It would really be a waste of money to put a bridge in there."

Cain and most town officials present voiced their support of the eastern route. "Basically the planning board would consider something on the easterly side," said planning board chairman Arthur E. Harding Jr.

DPW engineer Sholock said the bypass or improvements to Main Street would entirely be paid for by federal and state funds. Cain commented that the county has already appropriated \$450,000 for the work, and these funds could be used for other purposes.

Sidewalks not included

Radio commented that the funds could be used for sidewalks beside any bypass constructed. He explained the state doesn't provide funds for sidewalks as part of highway construction programs.

Cmsr. Campbell said the DPW hoped to get as broad support as possible for any route finally selected. He explained that before a final decision is made, consultants will visit the town to talk to residents and officials, and a series of public and neighborhood meetings will be held to gauge the feelings of residents concerning each proposal.

"If we go into a town and say 'this is the way it will be done,' this is not the best thing to do," Campbell commented. "We would hope the selectmen and planning board would pick up the project here and be the ones to make the decisions."

Another factor in deciding which route will be taken, Campbell explained, will be the number of homes or businesses displaced.

Environment is key
Before a decision is made, a

Funds of the Wilmington Lions down to an ALL TIME LOW

The funds of the Wilmington Lions Club, so they say, are down to an ALL TIME LOW, and that's a heck of a state for any Lions Club to be in.

The particular funds to which reference is made are those used for Eye Research and Sight Conservation. The Lions have done this for years, supporting research, and checking the youngsters as they go to school, for the first time, each year.

This year the Wilmington Lions will be having their Eye Clinic on October 13th.

Sunday, September 30, is the day. Wilmington has been divided into 15 areas, each with a Captain, and an Assistant, and an Assistant, and then an Assistant, Assistant. The Lions will be selling electric light bulbs, and brooms, everywhere in Wilmington.

They just have to build up those funds, somehow!

Four basic approaches for future of Harnden Tavern

There are four basic approaches for the future planning of a building such as the Harnden Tavern, a group of Wilmington town officials were told, Tuesday night, in a meeting in the Public Library.

Thomas W. Leavitt, president of the Merrimac Valley Textile Museum in North Andover outlined the approaches for members of the Wilmington Historical Committee and others.

WHAT IS THE MEANING OF RESTORATION? A question from Arthur Harding (left) chairman of the Wilmington Planning Board, to Mr. Leavitt (right) during the discussion of the future of the Harnden Tavern.

The answer was that restoration was the returning of the item to its original condition, using no short cuts, not just fixing that which is broken or in need of repair.

Bill Meyer, of the Wilmington Company of Minute Men, is at center.

Restoration, he warned, is the most expensive, and sometimes is not wanted, as it tends to wipe out the 100 or 150 years of a house's life.

Secondly a community can use such a building as the Tavern for storage of historic articles, until such time as appropriate funds or structures are available.

As a third point Mr. Leavitt told of some towns using such buildings as public buildings or community centers. This however could have a tendency to put unusual wear and tear on the building and the structure might not be adaptable to non residential use.

His fourth suggestion was to use as a residence. This, he pointed out, was the most flexible, compatible and economic use for the present and the near future.

Mr. Leavitt strongly pointed out

JOE BARTON RETIRES

Following 16 years of service, Joe Barton of High St., Wilmington will retire from Wilmington's Water Dept. tomorrow (Sept. 28th). He and Mrs. Barton will take up residence in Brownfield, Maine, a life-long resident of Wilmington served the town in several capacities, including that of fire chief in 1949.

WILMINGTON FLAG FOOTBALL

Boys ages 9-12 who are interested in playing in the annual Wilmington Flag Football League this fall may pick up registration sheets in their school offices or from the Recreation Dept in the Mildred Rogers School.

Games and practices will be played at the Town Park on Monday and Tuesday evenings.

Team assignments will come from coaches of the towns. Bill Simmons will handle the coordinating chores for the Rec. Dept. Further information may be obtained by calling the Rec. Dept at 658-8512.

Walk-a-Thon 8 am Sunday

Wilmington Common promises to be quite a busy place, Sunday about 8 am. It will be the kick-off of the Walk-a-Thon for the Wilmington Community Fund, and as near as this paper can gather, there seems to be somewhere between 500 and 1000 youngsters signed up to make the 12 mile trip. Each has procured a series of financial pledges, money to be paid to the Community Fund, if they make the entire trip. There will be monitoring stations, along the way, to ensure performance.

George Hooper of Allen Park Drive, who is a member of the Community Fund, says that his son has acquired about \$90 in pledges. George is proud of his son but possibly there are young people who have greater pledges.

The monitors will not be the only ones to check on the young people as they make their march. A group of ten Wilmington residents, with assistants, known as the Amateur Radio Service Corp of Wilmington will be stationed at strategic locations along the route, prepared to call in the Wilmington ambulance. Headquarters for the Radio group will be the Fire Station, where Bill Sencabaugh, of 10 Harold Avenue, who is perhaps to be called the Chief Spark, will be stationed.

The Wilmington Cardinals, champion Class A Drum & Bugle Corps is to be on hand for the start. It is to be hoped they will play one of their stirring marches - they haven't been present at any Wilmington function for months.

The Wilmington Minute Men, with their yellow uniforms, and long old fashioned rifles are to be an honor guard.

More is to be had, in the adult female division.

For instance, Annette Fahey and Joan Foster, who are to be described as curvaceous blondes, and are co-owners of the Penthouse Boutique at 580 Main Street will take part in the parade. They are in competition against each other, to see who can get the most pledges.

And there are half a dozen young matrons - does one describe them as zany? - who are going to haul an old fashioned horse gig for the distance - so they say. The gig belongs

Football Games Drinkers will be evicted

In a strongly worded letter to the public, Walter H. Pierce, Superintendent of Schools of Wilmington has warned against the practice of the drinking of alcoholic beverages at football games and other athletic events.

It is not a question of the age of the drinker, he says it is a question of drinking. The police, he says, have been instructed to remove anyone violating school department policy.

Dear Citizens:

It has come to my attention as a result of the Andover-Wilmington football game last Saturday that a great deal of drinking of alcoholic beverages is taking place at our athletic events. The School Committee policy regarding this subject is as follows:

"The use of, serving of, or consumption of any alcoholic beverages on school property or at school functions is prohibited.

Further, any student shall be barred from any school-sponsored activity, if he or she has been drinking alcoholic beverages prior to his or her attendance at or participation in said school-sponsored activity."

It should be made perfectly clear that age is not the crucial issue here. The refraining from drinking alcoholic beverages on

school premises applies to all in attendance. Effective immediately we are instructing the police officers on duty to enforce our policy and to remove anyone in violation of this ruling.

I'm sure you will agree with me that a situation such as this, left unchecked or unsupervised, could bring about unfortunate circumstances and threaten the safety of all in attendance. I can't allow that to happen. Furthermore, any student of the Wilmington Public Schools drinking at such an event will be dealt with by being suspended from school as well as being ejected from the game. This is a school-sponsored activity and students will adhere to our school policies.

Respectfully,
Walter H. Pierce
Supt. of Schools, Wilm.

Steering Committee named for hospital study

A. Melville Woodside, president of the Wilmington Regional Hospital Building Committee, last week named five Wilmington residents to a Steering Committee, to work with a steering committee of doctors who are interested in the construction of a building for a Medical Center, in Wilmington.

Named to the committee were Ray McNamara, Fred F. Cain, James F. Banda, Bernard Brady and Lillian Woodside. A similar steering committee has been named, for the doctors, and the two committees are to work together.

James H. Drummond, vice president of the Nationwide Medical Building Corp., gave the committees a resume of the work of his company, explaining in depth their experience, their policy and their responsibilities.

The two committees toured the Nashoba Valley Hospital in Ayer, Tuesday morning, as guests of Mr. Drummond, and toured the Cable Community Center, in Ipswich.

A detailed report of the committee findings is to be made tonight, at the Hospital Committee meeting.

WILMINGTON LWV STUDIES CAMPAIGN FINANCING

The Wilmington League of Women Voters will hold their Unit Meetings on Campaign Financing on Tuesday, October 2nd at the home of Mrs. David Gagnon, 200 Middlesex Avenue and on Wednesday, October 3rd at Mrs. William Hooper's home at 34 Marcia Road. Both meetings will begin at 8 pm.

This is one of the League's national study items. In May, Council delegates chose campaign financing at the major focus of the U.S. Congress study, the decision, though a reaction to urgent issues behind Watergate headlines, had its roots in the League's long-standing concern with supporting an open and representative governmental system.

The League of Women Voters is a non-partisan organization, and any woman, eighteen years of age and over is invited to join.

A lovely summer wedding united in marriage, Stephanie A. DeGregorio daughter of Mr. and Mrs. James DeGregorio of 10 Lander Rd., Lynnfield and Charles M. Burns, son of Mrs. Charles Burns and the late Mr. Burns of 205 Middlesex Ave., Wilmington.

The altar of Our Lady of Assumption Church, Lynnfield was adorned with white and yellow flowers for the 4 pm ceremony performed by Father Bonner of Mission Hill Church.

Given in marriage by her father, the bride was radiant in a full length white gown of English netting featuring Venetian "ace" appliques around the high neck, bodice, train and hemline. Her

cathedral length veil fell from a crown of fresh flowers. Miss Colleen Ray of Bridgeport, Conn. served as maid of honor in a gown of forest green trimmed with white and yellow embroidered daisies and featuring a scoop neckline and square back. She carried a nosegay of yellow and white daisies with babies breath and wore a headpiece of fresh daisies.

Serving as brides maids were Miss Carol Camosso of Reading, Mrs. Joanne DeGregorio of Wakefield, Miss Deborah Connors of Cohasset and Miss Massandra Burns of Wilmington.

Their gowns and flowers were identical to those worn by the maid

of honor. Charles M. Burns acted as best man while ushering duties were in charge of Eric Wells of Middleboro, James DeGregorio of Wakefield, Edward Latta of Wilmington and Richard Cone of Washington, D.C.

Michael Farinola of Peabody served as ring bearer.

Immediately following the ceremony a reception was held at Danversport Yacht Club.

For her daughter's wedding Mrs. DeGregorio chose a yellow crocheted a-line gown featuring a high neck and long sleeves.

The mother of the groom was attired in a white and beige print gown.

The new Mrs. Burns is a graduate of Lynnfield High School, Northeastern University and is currently employed at a nurse at Deaconess Hospital.

The groom is a graduate of Wilmington High School, attended the University of Massachusetts, Boston and is presently manager of Bliss Marine in Woburn.

Following a wedding trip to Bermuda, the couple is now residing in Reading.

Townsmen plan fall schedule

The Greater Lowell Chapter of The Society for the Preservation and Encouragement of Barbershop Quartet Singing in America, Inc. which calls itself The Townsmen is back in full operation after a semi-active summer. They meet regularly at south Church on Central Street in Andover every Monday evening from 8 to 11. Guests are always welcome.

The Townsmen's incoming President, Jack Gardner of Tewksbury, has one of his goals raising the membership of the male singing group to 50 or better. To this end, he plans a series of free musical shows in October in Andover and surrounding towns to give men with a musical bent a chance to sample four-part barbershop style harmony. Charles Gallagher, incoming Program Vice President, is brimming with new ideas to make the meetings enjoyable for both older members and newcomers.

Membership is drawn from all surrounding Greater Lawrence towns, including Groton, Andover, No. Andover, Lowell, Lawrence, Tewksbury, Billerica, Boxford, Methuen, Wilmington, Reading and Salem, N.H. The chorus welcomes any man who likes to sing and enjoys the thrill of "ringing" a barbershop seventh chord. The repertoire includes old songs like "Mandy Lee" and "My Wild Irish Rose" as well as the great songs from Meredith Wilson's "Music Man." It's not essential that a man read music or have had previous choral or choir experience.

CAMP FIRE TRAINING IN LOWELL

The annual training for all Bluebird and Camp Fire girls will be held at the First Baptist Church in Lowell.

The new name for Camp Fire girls is Adventurers. Training will start at 9:15 am till 11:30 am. Leaders should have their resource book as training will deal with changes in the Camp Fire program.

Books will be available at training or at the "Guys and Gals" shop at Burlington Mall for \$2.00. Dates for Bluebird training will be Wed. Oct. 3rd and Thurs. Oct. 18th.

Dates for the Camp Fire training will be Wed. Oct. 10th and Thurs. Oct. 25th. Baby sitting for preschoolers will be provided. Fee will be 25¢ per child.

The L.S.O. meetings for Wilmington leaders and sponsors

will be held on the fourth Tuesday of each month at 10:00 a.m. Baby sitting service will be 25¢ per child. For a successful program, it is helpful for all leaders to attend these meetings.

FOUR CHOICES: For the new road around Wilmington Center. The three at right are called, by the Engineers, the East Alternate, and the one at left the West Alternate. Proposals for both routes date back to the days before World War I, and A. Chandler Manning, Wilmington architect. More recently there has been work by Prof. Charles Elliot, Wilmington Planning Board consultant, and Rep. Fred F. Cain.

"Line C" was an earlier proposal, and "Line B" was that proposed by Mr. Cain after construction had blocked off access. Currently the State DPW favors "Line A", to go east of Wilmington, but is willing to consider the West Alternate, if Wilmington officials indicated that is what they want. The West Alternate, it will be noted, swings around the Sweetheart Plastics building.

FUNCTION HALL APPEALS BOARD SUBJECT

The Tewksbury Rod & Gun Club's request for a variance to rebuild its headquarters and add a function hall to it at 79 Chandler St., Tewksbury, will be heard by the appeals board October 2 at 7:30 p.m.

Also on the agenda is a request for a variance for an addition to Donut Village at 2493-2499 Main

Street, as well as a special permit to sell alcoholic beverages on the premises.

WILMINGTON'S 1958 RESCUE TRUCK TO BE REACTIVATED

Remember the old 1958 Chevrolet rescue truck that used to be run out of the Wilmington Fire Department? It is being resuscitated, and is to become a

part of the Wilmington Recreation Department. It has been around for a long time, it is a four wheel drive, and apparently the Town Father of Wilmington believe it is to be around for a still longer time.

The lucky guy who will be driving it? Ron Swasey, Director of the Recreation Department. With that truck he will be able to rescue people anywhere - on the highest mountain - the desert, anywhere.

The Secret

I met God in the morning
When the day was at its best,
And His presence came like sunrise
Like a glory within my breast

All day long the presence lingered
All day long He stayed with me;
And we sailed in perfect calmness
O'er a very troubled sea.

Other ships were blown and battered,
Other ships were sore distressed;
But the winds that seemed to drive them
Brought to us a peace and rest.

Then I thought of other mornings,
With a keen remorse of mind,
When I too, had loosed the moorings,
With His presence left behind.

So I think I know the secret
Learned from many a troubled way;
You must seek God in the morning
If you want Him through the day.

Letters

Dear Mr. Neilson:

As an enthusiastic drum corps nut and former Wilmingtonite, would you please unscramble the Crusaders for me? Are there one, two or three corps in town? I have seen the Wilmington Crusaders, Wilmington Cardinals and Beverly Crusaders in the Town Crier recently and I would like to know who's who.

Did the Swordsmen become the Wilmington Crusaders? You mentioned something about a circuit rule that had to do with the name change of the merged corps, so what has happened? As near as I can figure out, there are the Wilmington Cardinals and Beverly Crusaders, right? From the looks of things, the Eastern Mass. circuit has as many problems as our Southern Calif. circuit.

I hope you can answer my questions.

Many thanks,
Sandra Smith
Los Angeles, Calif.

Dear Sandra:

Very happy that you asked that question, Senator. It's all a bit hazy, even now.

The trouble is that there are two circuits, in this part of the country, and the merging of two Drum Corps, Beverly and Wilmington has to take into consideration the various contracts, etc.

Everyone was hoping that the first of September there would be one corps, but that isn't a fact, as of this writing. Maybe on the first of

October. The idea is to make it one corps, one TOP NOTCH corps. Everyone is hoping.

Larz

Dear Larz:

Regarding your editorial "(Mr.) Noelcke Has a Point" - He does have a point. But - I suspect that under no circumstances would he, or any other reasonable person, ever have anything to do with the denial of a practical and useful education to any deserving and earnest youngster.

I do admire Mr. Noelcke's courage in defending his convictions.

Sincerely,
David E. Wiberg

Dear Larz:

It's a pathetic situation when a minuscule minority of 2.1% of the town's eligible voters can spend the tax dollars of everyone as nonchalantly as they did at the recent special town meeting.

As a confirmed cynic I view a special town meeting for one large money expenditure and nothing else as a conspiracy by a special interest group to push through their pet project.

In the September case the Shawsheen Tech "educators" won and the taxpayers lost, as usual. The self-styled demi-gods of the temple of education have again boondoggled the populace into more spending to aggrandize the already over-inflated ego of their collective octopus-like empire.

School committees spend and spend and spend. The availability of funds and the ability of the taxpayers to shoulder the burden is of no consequence. The empire inflates as your spendable income and savings deflate.

No matter that people live on fixed incomes; or have lost jobs; or taken pay cuts; or get small raises; fill the temples coffers; nothing matters but "education" at any price.

The time has come to stop the piracy of tax dollars. The proposed multi-million dollar high school-palace is to be the primary target.

Sincerely,
William D. MacKinnon Jr.

TWEEKSBURY FLU SHOTS DUE OCT. 16

A flu shot clinic will be sponsored by the Tewksbury health board at town hall, with a series of two shots planned.

The first shot will be given October 16 from 7 to 9 p.m. A second shot will be given at a later date.

Shots will cost \$2. Persons 21 years old or older should make appointments for shots prior to October 16. This is because the amount of flu vaccine to be provided must be ordered in advance.

CAR CORNER by Vern Johnson

What does an eight-sided traffic sign mean? It always means Stop - a full stop - under any conditions according to the National Safety Council.

Even more importantly, if you drive, you should be able to recognize the meaning of signs by their shapes, long before you are able to read the words. A round sign of yellow and black, for example, signals a railroad crossing. Train yourself, to see and recognize signs is important to everyone's safety.

And when you need expert auto service, be sure to stop at the sign of Wilmington Ford, 275 Main St., Rte 38, Wilmington, 658-6800. Featuring one of the most modern and complete service & parts depts. in the area, we attempt to insure same day service whenever possible, and for those jobs that take a little longer, we have low-cost rentals available. Open: service, 7:30-9 Mon-Fri; 7:30-5 Sat.; sales, 9-10 Mon-Fri; 8-6 Sat.

Helpful Hint: Never tolerate a tail gater. Slow down if necessary, pull off the road to allow him to pass.

Middlesex, ss.
To the Town of Wilmington, a municipal corporation, located in the County of Middlesex and said Commonwealth: A. David Gills, Mildred M. Gills, Bernard J. Kevitch, Ruth Kevitch, Edmund J. Keady, Margaret Keady, Joseph G. LaMotte, Charles P. LaMotte, Paul Matulewicz, and Nancy Matulewicz, all of said Wilmington; Theodore G. Murray, of Burlington, in said County of Middlesex; Joseph E. Corish, of Somerville, in said County of Middlesex; and to all whom it may concern:

Whereas, a petition has been presented to said Court by Robert P. Stevens, Trustee, of Winchester, in said County of Middlesex, to register and confirm his title in the following described land:

A certain parcel of land with the buildings thereon, situated in said Wilmington, bounded and described as follows:

Northerly by Randolph Road 300 feet; Easterly by land now or formerly of the Town of Wilmington 300 feet; Southerly by land now or formerly of Bernard J. Kevitch and Ruth Kevitch, by a line crossing Iwan Court, and by land now or formerly of Edmund J. Keady and Margaret Keady 300 feet; and Westerly by land now or formerly of Joseph G. LaMotte and Elaine P. LaMotte, and by land now or formerly of Paul Matulewicz and Nancy Matulewicz 300 feet.

Petitioner desires the above-described land be subject to the following:

1. Petitioner desires the above-described land be subject to the rights of anyone to use that portion of Swain Ct. (private) as is included within locus and seeks to have the same eliminated.

The above-described land is shown on a plan filed with said petition and all boundary lines are claimed to be located on the ground as shown on said plan.

If you desire to make any objection or defense to said petition you or your attorney must file a written appearance and an answer under oath, setting forth clearly and specifically your objections or defense to each part of said petition, in the office of the Recorder of said Court in Boston (at the Court House), or in the office of the Assistant Recorder of said Court at the Registry of Deeds at Lowell in the County of Middlesex where a copy of the plan filed with said petition is deposited, on or before the fifth day of November next.

Unless an appearance is so filed by or for you, your default will be recorded, the said petition will be taken as confessed and you will be forever barred from contesting said petition or any decree entered thereon.

Witness, WILLIAM I. RANDALL, Esquire, Judge of said Court, this fourteenth day of September in the year nineteen hundred and seventy-three.

Attest with Seal of said Court.
Robert Stevens, Esq.,

Make sure to get a complete written list of personal property that is to be included in the sale of any house you're interested in buying.
This means the washer, dryer, freezer, furniture and all large appliances. Have the serial numbers of all appliances recorded. Make sure furniture is described completely and in detail.
Inquire about wall to wall broodroom and draperies. This is for your own protection.
Let the experienced staff at A & M Fenton Realty, Inc., 104 Lowell St., Rte. 129, Wilmington, 658-3221, 944-6457 help you with the myriad of details involved in home buying. And be sure to call us with your listing too; we take pride in meeting your complete real estate needs with highly personalized service and professional competence. Open: 9-5, seven days; evenings by appointment.

Helpful Hint: For convenience purposes a kitchen should be within easy reach of the dining room.

Andover Gains Revenge

The varsity football eleven saw their thirteen game win streak go by the boards last Saturday afternoon dropping a 13-8 decision to Andover in the MVC opener for both clubs. In other conference action Chelmsford ripped Tewksbury, 22-0; Billerica surprised Methuen, 34-15 and Austin Prep edged Lawrence Central, 12-6.

Andover came out as if they were going to blow the ball game wide open, taking the opening kickoff at their 25 and marching to the Wildcat's 17, in eight plays before the Wilmington defense held on and turned the attack around with key defensive plays by Jack Stygles, Bob Bavota and Bob Dorval to push the Golden Warriors back to the 33.

The varsity was unable to move the ball in their initial series of downs and turned the ball over on downs at the 12 after a poor punt by Doug Stewart. Andover could not take advantage of the Wildcat gift proceeding to fumble on the first play with Stygles pouncing on the loose play at the eight.

After an exchange of punts the Wildcats took over at the 10 to begin the second period. In eleven plays the varsity moved to the Warrior's 44 before the drive stalled on downs.

Quarterback Carl Butler was four for five in the drive with Doug Stewart and Tom Woods respectively highlighting the march. The Golden Warriors and the Wildcats exchanged four punts with neither club advancing beyond the other's 40 yard line to end a scoreless first half.

Ray Noel ran the second half kickoff back 33 yards to midfield and the Wildcats were in great field position. However, the drive stalled as two running plays netted minus yardage and a third down pass fell incomplete. Following an exchange of punts, Andover was the recipient of another Wildcat mistake. On a fourth and four from their 41 Stewart bent back to kick, but Andover's Bob St. Armand blew in unmoled and successfully blocked the punt and co-captain Ray Pizzaro alertly picked off the ball in mid air and busted down the sideline for a 40 yard touchdown and the Warriors were on top. Alexander split the uprights with the PAT conversion and at 5:29 of the third stanza Andover led, 7-0.

On the ensuing series of downs Andover's Ted Stamus intercepted a Butler to Woods aerial at the Wildcats 42 on a third and long yardage situation. The Golden Warriors turned this miscue into the eventual margin of victory, marching for a 44 in 40 plays with the final crunch coming on fourth and 10 from the ten as Jeff Winters eluded two would be tacklers for a key six-pointer. Rick Howlett blocked the placement and at 1:15 of the final frame, Andover was on top, 13-0.

The Wildcats put together their best drive of the day on the next series of downs to make the outcome closer. Following Noel's return of 29 yards to the Wildcats' 29, the varsity marched to pay dirt in 10 plays with Dean Devlin lugging the ball five times for 31 yards to key the attack. Another

big play in the drive was a 16 yard kickoff back 33 yards to midfield and 12 from the Wilmington 47. Butler scored the td on a keeper from the one at 4:31 and with a successful two-point conversion pass, Butler to Noel the varsity was back in the game at 13-8. After an exchange of three punts, Wilmington marched from their 45 to the Warriors' 30 only to have a Butler to Stewart aerial intercepted in the end zone by Andover's Stamus.

With only 1:05 left on the clock Andover could not move beyond their own 29 and this gave the Wildcats another desperate try. Taking over on their own 49 on the last play of the game Butler attempted to hit Noel with a pass but it was picked off at the 20 and the Warriors snapped the Wildcats' two season 13 game win streak.

Soccer Eleven Rolls On

Wed. Sept. 19th...The varsity booters continued to roll, whipping St. John's 4-0 behind the three goal performance of center-forward Barry Aruda. Coach Lentine's eleven dominated play in the early going and midway into the first stanza Dave Maloney notched his initial goal of the season with a fine effort from ten feet out. Co-captain Aruda scored his second goal of the season on the only Wildcat shot in the middle frame to make it 2-0.

A two goal outburst in the third frame, both off the foot of Aruda put the game out of reach. Once again the defensive play in front of goalie Chuck Wood was outstanding as the Wildcats netminder was called upon to make only five saves, four of which came late in the contest.

Thur. Sept. 20th...The Shawheen Rams fell victim to the Wildcats, in their initial meeting on the soccer field, 5-0 as the Wilmington squad simply overpowered the Technicians. Andover kept pace with the Wildcats with a convincing 8-0 thrashing of Methuen. In other league action Billerica tied St. John's 1-1 and Lawrence came from behind in the closing minutes to deadlock Peabody, 1-1.

After a scoreless opening period, the Wildcats tallied twice in the second frame as Dave Maloney once again opened the scoring in the opening seconds firing his second seasonal goal past a surprised Tim Warren in the Rams goal. Chris DiCecca tallied his third marker of the season minutes later on a penalty kick to give the varsity a 2-0 half time lead.

Barry Aruda notched his fifth and sixth goals in the second half and freshman Billy Forrestall closed out the scoring late in the contest on a 20 foot drive to the right of a tired Tim Warren. Fullbacks John Harrison and Dan Burns continued their fine play on the defensive side of the ledger thwarting any real scoring threat to reach goalie Chuck Wood, who was called upon to make only three saves.

Field hockey set for opener

The girls' varsity field hockey squad will open their MVC slate next Tuesday afternoon at home with Methuen providing the opposition. Coach Jan Cassidy has only two returning starters from the 72 club and as a result the female Wildcats will be somewhat inexperienced.

The two returning starters are Capt. Carlene Butler and junior Doria McMillan. Tammy Oliveira and Pat Bransfield will probably start on the line with the two returnees, while Kathy Sullivan and Linda Pintrich show promise at the defensive positions.

Other members of the varsity include seniors Gail Irwin and Mary Ann Langone; juniors Carrie Arvanitis, Leslie Arnold, Denise Kindred, Lori McNabb and Diane Robson. The other sophomore in addition to Pintrich is Diane Pundrey. Junior Sharon Botelho will be the varsity manager.

Tues. Sept. 25...Chuck Wood's scoreless streak went by the boards after 13 consecutive shut-out periods, but the varsity eleven continued to roll posting a 5-2 triumph over a stubborn Methuen club.

Coach Lentine's varsity scored early in the opening frame when Rich Diehl booted home a rebound of the Rangers right goal post after Dave Maloney had beaten Methuen's Chris Blaser only to hit the post. The scoring play was set up by Barry Aruda's indirect kick from 18 feet out. Aruda mad it 2-0 shortly thereafter with a fine individual effort, as Barry out hustled a Ranger fullback for a loose ball and proceeded to go in alone and the Wildcat made no mistake firing home his seventh season marker.

Early in the second frame Methuen's Jerry Comtois snapped Wood's skin beating the Wildcat netminder midst a goal mouth scramble to close the Wilmington lead to 2-1. Late in the stanza Aruda's far corner booted home the eventual winning tally converting Diehl rebound from the right side to make it 3-1.

The Rangers closed the gap to one goal for the second time in the contest as Comtois booted a short five footer past a shaky Woods in the opening seconds of the last frame. However, the Wildcats came right back and carried the play to the Rangers at midway into the frame Chris DiCecca scored his fourth goal of the season and the varsity had some breathing room. Diehl put the frosting on the cake with only a minute left in the contest, lifting a fifteen footer past a tired Chris Blaser in the Methuen net.

Next on the agenda is Peabody and then the crucial test comes Tuesday when the varsity travels to Andover to battle the Golden Warriors for the league lead.

POP WARNER FOOTBALL

Charger A's Blasted off Gridiron

The Wilmington "A" squad suffered a 53-0 slaughtering at the hands of the Billerica Indians last Sunday. Gary Guarino carried nine times for four td's and 214 yards to lead the Indian pigskinners to the victory.

It was obvious prior to the game that the Wilmington eleven were not up to the contest. The Charger and Indian records before the game were 2-0-0 and 1-0-0 respectively, and if Wilmington won this one, it might have been clear sailing. The defending champs fell flat on their faces and played dead, and allowed Billerica to move into the league lead.

Co-captain Phil Russo tried his hardest to keep the 19 game winning streak alive with an all around good performance for the Chargers, but the rest of the team lacked the spirit to win. A main factor in the loss was the overpowering size of the Indians. The Billerica third unit was larger on the whole than the "A" team's starting eleven, and Wilmington was just scared to hit.

The "B" squad suffered a similar fate as they were beaten by Billerica, 22-6. Quarterback John Robarge drilled a 17 yard td pass to Marty Sullivan late in the fourth quarter to stop the Brave's shutout bid. The loss lowered the

Chargers' slate to 0-1-2, and they will shoot for their first win on Sunday, October 7 as they play Dracut.

The Charger "C" team upped their current win skein to three last Friday night at Town Park by beating Everett, 28-8. Dave Driscoll galloped for three touchdowns while Fran Taylor chipped in with a singleton. Mike Costello and John Holmes added a two point conversion each. The "C" eleven will be shooting for their fourth win this Saturday against Dracut.

REDMEN SCALPINGS

Chelmsford Blanks Tewksbury

On a cold and dismal Saturday afternoon the Chelmsford Lions dominated the Tewksbury Redmen 22-0 in the M.V.C. opener for both teams played at the Center School Field in Tewksbury.

About the only thing Tewksbury won was the toss. Chelmsford's Guy Swiatkowski drove the opening kickoff deep into Tewksbury territory where the Redmen set the tone for the entire afternoon as they coughed up the ball after three downs.

The teams then exchanged punts

WILMINGTON YOUTH HOCKEY

Jayvee's bow, 8-0

Bob Aprile carried 14 times for a total of 56 yards in a good performance for the Wildcat JV squad, despite the fact that they lost 8-0 to Andover last Monday afternoon.

The Golden Warriors capitalized on Wilmington mistakes throughout the game, stopping Coach Alyward's squad for a safety and recovering a fumble on the Wilmington four yard line to stop a scoring threat.

The Wildcat Junior Varsity squad is somewhat young and has not had much chance to practice as a team. They will visit Lawrence and battle Central Catholic as they shoot for their first victory.

Redmen Scalpings

(from page eight)

killed the drive.

Chelmsford again failed to move the ball on their next series of downs as Tewksbury's small but tough defense was airtight.

Tewksbury's next series was highlighted by Joe Stagnone's twelve yard run on a trap play. This put the ball inside Chelmsford territory at the thirty-nine. An off-side penalty on Chelmsford, (one of many) a two-yard dive by co-captain Morin, and Dave Smith's pass to Stagnone brought the Redmen even closer to Chelmsford's goal line, but once again the drive stalled and junior Brian Smith was called in to punt. The first quarter ended with neither team being able to reach pay dirt.

The second quarter began with Chelmsford running their backs Mike Conway and Dave Jones right at the Redmen with no success.

The Redmen gained possession and on the first play quarterback Dave Smith was intercepted by Chelmsford's senior linebacker Dave McDonald.

McDonald carried the errant aerial from Tewksbury's forty-eight to the Redmen four-yard line.

On the next play junior back Mike Conway banged over Tewksbury's right side for the score. Andy Everleigh's conversion split the uprights and Chelmsford held a lead they would never relinquish, 7-0.

The Redmen seemed to be coming back on their next possession until senior Matt Kellen dropped Morin for a big ten yard loss on another sweep. The half ended with both teams stalling on offense and exchanging punts.

The second half opened with Chelmsford mounting a time consuming drive. Conway and Smith carried the ball effectively for Chelmsford as they banged down to Tewksbury's twenty-three yard line. A nifty interception by Joe Stagnone killed Chelmsford's drive however. Another Tewksbury mistake led to Chelmsford's second score of the day. Matt Kelley intercepted a deflected Smith pass at Tewksbury's forty-one. Senior co-captain Blair Ely carried the ball down to the six on a brilliant run. Two plays later the ball was in the Tewksbury end zone on an eight yard run by senior Bob Kelley.

Kelley knocked down several Tewksbury defenders in adding to Chelmsford's lead. Everleigh's kick sailed wide to the right and the score was Chelmsford 13, Tewksbury 0.

It remained that way for the remainder of the quarter as the Chelmsford defense, smelling victory, tightened considerably.

Early in the fourth quarter Chelmsford mounted an excellent offensive drive that would lead to another score. With the ball on Tewksbury's forty following a short punt, Ken Smith drove over right tackle for five yards to the thirty-five.

Jim Finnegan passed to Bob Kelley as the big tight end rambled to the thirteen yard line. A blitz by linebacker Tom Morin nailed Conway for a two yard loss. On the next play Chelmsford dove Conway and Smith on successive plays with a net pickup of two yards.

Andy Everleigh trotted onto the field to attempt a third-three yard field goal. The boot was strong and true and put the final nail in Tewksbury's coffin. Tewksbury again failed to move and a bobbled snap on a punt put the ball on Tewksbury's twenty. Runs by Smith to the twelve and sophomore back Brian O'Neill to the ten appeared to set up another Chelmsford score, but a clipping penalty set the Lions back to the sixteen. Everleigh's twenty-seven yard field goal attempt hit the goal post.

The Redmen stuck with their starters, but it was to no avail as the fired-up Lions began destroying the beaten Redmen.

The final insult came when Ken Smith picked up another Dave Smith pass off and scampered thirty-five yards for the score. It was a day of mistakes for the Redmen. The defense played well enough to win, but the offense just gave the ball away too many times.

This week Tewksbury travels to Dracut to take on the Middies. Tradition will be at stake here. The Redmen have shutout Dracut for three straight years by scores of 10-0, 25-0, and 28-0.

Just a reminder to all members of the Wilmington Tennis Club of the annual meeting to be held on Monday evening, October 1st at eight o'clock, at the Wilmington Memorial Library.

COUGAR CORNER

Austin Tops Central Catholic

The Austin Prep Cougars made their initial appearance in the Merrimack Conference a winning one by besting Central Catholic of Lawrence, 12-6.

The invading Cougars, State Division III champs in 1972, continued their winning ways by scoring twice in the third period to overcome a six point disadvantage at the half.

In the first period, Central kicked to Austin's Arthur Fosse of Lowell, who carried the ball back to his own 30 yard line. In the ensuing series of downs, the Cougars were not able to move the ball and were forced to kick the ball away. Central now took the initiative. In their third play from scrimmage Sam D'Agata broke through right tackle, raced through Austin's secondary defense and bolted into the clear for a 55 yard score. The attempted rush for the points failed.

Again the Cougars were stymied in their attempt to move the football after the ensuing kickoff. A running play and two incomplete passes gained little. Central in possession made two first downs only to lose the ball on a fumble recovered by Chris DiGiammarino of Wakefield. Austin in turn, turned the ball over to their opponents when a Gaudet pass was intercepted.

In the second period, the defensive units of both teams tightened throughout most of the game. Steve Webster of Lowell and Bill Kiely of Burlington, Austin backs, did make good gains. Although the half ended with Austin trailing 6-0, the momentum had reversed itself.

The third period found Austin quickly establishing their running and passing game. Starting from their own 25, two running plays gained a first down; a Chuck Gaudet pass to Tom Murphy went for 12 yards; and rushes by Bill Kiely and Gaudet spotted the ball on the Central 40. From this point Steve Webster, junior halfback, broke into the clear for a 40 yard touchdown gallop. A pass to Ed Mist for the points after failed.

Still in the same period, the Cougars were not to be denied. After recovering a Central fumble, Gaudet set up a pretty swing pass to Bill Kiely, who reversed his field and outraced the Central defenders for Austin's second score. The well executed play netted 55 yards and gave the Cougars the lead. For the rest of the period the Austin fired up defense gave Central few little to cheer about.

In the fourth period, two Austin drives were stalled by penalties and a poor interception. The home forces were unable to move past midfield until late in the game when two desperation passes made connections. However, it was too little and too late - Austin had chalked up their first Merrimack Conference win and their tenth straight gridiron victory.

Bits & Pieces

Acting on an assumption, the Town Crier goofed last week in instructing readers to obtain tickets to Wilmington's American Legion Post 136 and Post 136 Auxiliary joint installation. Tickets are not necessary. The event, to be held on Saturday evening, October 13th is to be in the nature of open house with members, friends and guests cordially invited.

In the 1940's a famous philosopher, Sir Charles Sherrington, wrote these words: "Suppose a wound sever a nerve of my arm...At once after the injury the nerve fibers start to regrow from their cut points even far up the arm. For eighty years and more, my nerve fibers have given no sign of growth. Yet, after this would, each fiber, whether motor or sensory, would start again to grow stretching out towards its old goal in muscle or skin."

It is words like these, true as they are, that make us realize how wonderful the human body is.

Dr. Jack Silvers to appear at Nova Devices hearing

The Wilmington Board of Selectmen, Monday night, set the date of October 23 for a hearing for Nova Devices of 829 Woburn Street to have a public hearing for the storage and use, on the premises, of hydrogen gas. The firm, several months ago, had a hearing and was turned down by the Selectmen, principally, according to Selectman George Boylen because they had offered no independent testimony as to the safety of their proposed operation.

Jamesway Studio

Boylen told his fellow selectmen that he works every day, at MIT, with hydrogen, and there is no danger if proper safeguards are met. He wanted independent testimony as to the safeguards to be installed by Nova Devices.

A spokesman for Nova Devices told the Town Crier that the firm has engaged the services of Dr. Jack Silvers, of Salem Street, Wilmington, and of Arthur D. Little Co., of Cambridge, to comment on the safety of the proposed system. The Arthur D. Little Co. is one of the outstanding research organizations in the United States, and Dr. Silvers, a former Avco scientist is the Director of the Massachusetts Science Foundation.

DR. MONTMINY ADDRESSES WILMINGTON LIONS

The regular meeting of the Wilmington Lions Club turned into a virtual joint Wilmington-Tewksbury meeting when a large contingent of members from the neighboring town attended. They were on hand to give support to the guest speaker, one of their number, Dr. Paul Montminy, a local optometrist.

Dr. Montminy's subject was the Lions Lazy-Eye Clinics and he added to the members understanding of the need, preparatory training, equipment, and operation of the important Lion project.

During the evening the point was emphasized that many people mistakenly believe Lazy-Eye Clinics are only for disadvantaged youngsters. Actually the clinics are of immense value to all preschoolers, because few parents recognize the need for and provide a means of screening children and hopefully discovering those in need of professional care before they lose the full benefit of schooling due to faulty sight.

The Wilmington Lazy-Eye Screening is scheduled for October 13th.

She is currently employed as a secretary at Raytheon Co., in Bedford and a part-time cashier at Northeastern University in Burlington.

Mr. Cassidy is a graduate of Wilmington and East Coast Aero Tech. He is currently employed by Standard Duplicator of Wakefield and is a part-time student at Northeastern University.

A December wedding is planned.

ROBERT VOZZELLA, ASSOCIATE PROFESSOR

Robert E. Vozzella of 35 Fairmont St., Wilmington has been promoted to the rank of associate professor in the Department of Cooperative Education at Northeastern University.

Professor Vozzella received both his bachelor and master degrees from Northeastern and is currently pursuing a certificate in advance graduate study in educational administration there.

Professor Vozzella joined the N.U. staff in 1965 as assistant to the dean of liberal arts. In 1968 he joined the faculty of the Department of Cooperative Education.

That's Sudan Grass

A species of very tall grass, growing along Lowell Street, in Wilmington has evoked the curiosity of some Wilmington residents.

According to Arthur Allgrave, who knows a lot about the birds and the bees, it is Sudan Grass. He can't explain why it is growing in Wilmington.

Realtor Alan Fenton is shown standing in the grass, to show how it grows to 10 feet tall.

Ripley Miller presumed to have died in crash

PVT. SALLY FANTASIA
CHALKS UP 994 POINTS

RIPLEY MILLER: Photographed at the Tew-Mac Airport, was an instructor as well as a commercial pilot.

It is possible to gain 1000 points when graduating from basic training. Pvt. Sally Fantasia, daughter of Mr. and Mrs. Salvatore of Hillside Way, Wilmington chalked up a total of 994 points when she recently completed basic training at an Alabama Army base. Pvt. Fantasia, a 1971 graduate of WHS is now stationed in Houston, Texas.

Perhaps the strangest item about Ripley Miller, in Wilmington, is that she was not too widely known. A quiet, and yet vivacious woman, she rarely took part in social functions, and only occasionally appeared with her husband at Planning Board hearings. Her husband, Ken, is a Civil Engineer. There are three children.

The couple bought the home that many would identify as the "Wave Drew Home", (the new one), on West Street, about three years ago, and were building a new home on Andover Street. She apparently will never see it finished.

Mrs. Miller was employed by corporate Air, Inc., of Hartford, Conn., and was flying cancelled bank checks from Barnes Field outside Hartford to Boston banks at the time of the mishap. A spokesman for Corporate Air said she had been flying the checks five

nights a week for several months before the accident.

She was also a flight instructor for the past six years at Tew-Mac Airport in Tewksbury, and the subject of a Town Crier feature article, "With Rip Miller it's flying with a difference," September 7, 1972.

Mrs. Miller was a native of Wakefield, and was graduated from Wakefield High School in 1954. She had more than 2,000 hours in the air. She was chairman of the New England chapter of the "99's," a woman pilots' organization founded in 1929 by 99 women pilots, and whose first president was Amelia Earhart.

She was a veteran of 10 years as a pilot, and frequently participated in women's air races, including one from Ottawa, Canada to Ft. Lauderdale, Fla., a distance of more than 1,500 miles. She hoped one day to race in the famous Powderpuff Derby.
